Subject: Some questions about London

Dear _____,

How are you doing? Long time no speak! I hope all is well. Your mum has probably told you that I'm moving to London next month. I wanted to write and ask you for some advice about the move – hope you don't mind!

First off, how long have you lived in London now? I think it's been a few years but I can't remember exactly. Also, my dad mentioned that you have been learning English at a college there. How long have you been at that college? Can you tell me a bit about the classes and what you learn about? I'm really interested in improving my English skills.

I also need to sort out my accommodation. I'm not sure which area I should live in. Do you know which areas are affordable, safe and convenient for commuting to central London? And also, how did you find your place? Are there any websites you can recommend?

Last thing – what do people usually do for fun in London in the summer? Summer is coming up and I want to make some plans! What are you going to do? Anything interesting?

Sorry to ask you so many questions but I hope you can find the time to respond. I'm really looking forward to moving to London and starting my new job as a chef!

Hope to hear back from you soon.

All the best,

Leon
