

A description of a town.

1 Brighton is a city in the south of England. It's got a population of about 160,000 and there is a lot of tourism here.

2 I like Brighton because it's a friendly place and it's very pretty. There are some really old buildings and it's got some beautiful parks.

For tourists there are a lot of interesting shops and some very good restaurants. My favourite places are the beach and the aquarium.
