"I Have a Dream"
By Westlife
I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream I have a dream
Oh yeah
I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness
Pushing through the darkness
Still another mile
i havea dream
Something good in everything I see
When I know the time is right for me.
To help me cope with anything.

24 Hr Drive-Thru
Song by: Origami Angel

I know it's a little bit late for fast food
And it's raining like a monsoon
But I haven't seen you in days and
Someone has gotta snap you out of this phase

Because you're sad, alone, and no one's home
And it doesn't have to be that way
So just call my home from your mobile phone
And you already know what to say

All you need to do is call me
And I'll take Kenilworth Avenue to 193
And we can get fries under dark stormy skies
And we'll run thunder and lightning away

I'll text you when I'm on my way
I'll do anything that it takes
Drive through the thunder and rain so we can
Fill up both of our water cups
With Dr. Pepper and then act like we paid
It'll be okay
It'll be okay
Okay! Okay

The following text is for questions number 33 to 38.

Every morning, I always wake up at 05.30 and immediately stretch, so that my body doesn't feel sore after sleeping all night. Then I tidy up the bedroom, then go to the bathroom to wash my face and pee.

Then I go to the kitchen to drink a glass of water and help Mom prepare breakfast for the whole family. Some of the menus that Mother often cooks for breakfast are fried rice, sandwiches, or toast. At 06.30, my father took me and my sister to school by motorbike. At the same time as we go, Mother also goes to her office using another motorbike.

I study at school from 07.15 to 12.30 every Monday - Saturday. My mom pick me and my sister up from school. When we arrive at home, we would have lunch together, then do our schoolwork, then take a nap.
