

### Good news

These verbs are exactly the same in the past and past participle tenses.

| Infinitive | Past Simple | Past Participle |
|------------|-------------|-----------------|
| lay        |             |                 |
| lead       |             |                 |
| leave      |             |                 |
| lend       |             |                 |
| lose       |             |                 |
| make       |             |                 |
| mean       |             |                 |
| meet       |             |                 |
| pay        |             |                 |
| say        |             |                 |
| sell       |             |                 |
| send       |             |                 |
| shine      |             |                 |
| shoot      |             |                 |
| sit        |             |                 |
| sleep      |             |                 |
| slide      |             |                 |
| spend      |             |                 |
| stand      |             |                 |
| stick      |             |                 |
| sweep      |             |                 |
| tell       |             |                 |
| win        |             |                 |
