Instructions:

1: fill in the missing numbers while listening to the song.

2: Obtain the full tittle (number) by writing the number (in words) in the 4th line of the third paragraph and at the end of the song

" Years"

I'm for a moment
Caught in between and
And I'm just dreaming
Counting the ways to where you are

I'm for a moment
And she feels better than ever
And we're on fire
Making our way back from Mars

there's still time for you
Time to buy and time to lose
there's never a wish better than this
When you only got a years to live

This one goes in words

I'm for a moment
I'm still the man, but you see I'm a "they"
A kid on the way, babe
A family on my mind

I'm for a moment
The sea is high
And I'm heading into a crisis
Chasing the years of my life

LIVEWORKSHEETS

there's still time for you

Time to buy and time to lose yourself

Within a morning star

I'm all right with you

there's never a wish better than this

When you only got a hundred years to live

Half time goes by

Suddenly you're wise

Another blink of an eye

is gone

The sun is getting high

We're moving on

I'm for a moment

And dying for just another moment

And I'm just dreaming

Counting the ways to where you are

there's still time for you

I feel her too

you're on your way

Every day's a new day

there's still time for you

Time to buy and time to choose

Hey there's never a wish better than this

When you only got a years to live

This one goes in words
