

Can you fill in the correct words?

"Chris! I have to talk, *urgently*! Remember I told you about the project to to what's happening to our? Well get this: I joined a professional group called "....." and they're all about caring for the trees in the, the beaches and the areas around any or stream of water. They also promoting any that will prevent a or any company from our home. Isn't that neat? How about joining us?"
