

6 How are things made?

MATERIALS

leather

cotton

silk

cardboard

china

metal

2 Read and complete the following text with the correct materials.

Our world is full of different materials. There's an amazing variety! I'm sitting at my breakfast table in the kitchen, having breakfast. I can see all kinds of materials: some ⁽¹⁾ **leather** shoes on the floor, my ⁽²⁾ _____ T-shirt and my mother's ⁽³⁾ _____ scarf which is on the back of the chair.

On the table, there's a ⁽⁴⁾ _____ cereal box and a ⁽⁵⁾ _____ teacup. Next to that, I can see a ⁽⁶⁾ _____ spoon. My little brother's toys are on the table, too- most of them are ⁽⁷⁾ _____. Through the ⁽⁸⁾ _____ window, I can see the garage with its ⁽⁹⁾ _____ wall and a parked car with ⁽¹⁰⁾ _____ tyres. I often wonder where these all come from.!

3 Look at the classroom and describe the different objects.
