Vy is good at English, and Thảo is best at maths. They help me a lot with my study. During break time, we often play many games together. Our favourite is hide and seek. Thảo and I like science, so we join the school's science club. Vy likes dancing, so she is in the dance club. Vy often performs in front of the whole school at the beginning of each month, and we love watching her. I think I'm very lucky to have two best friends!

Kevin: What is your favourite day of the week, Mai?

Mai: Oh, I love Wednesday. I have English and maths in the morning and music in the afternoon. They are all my favourite subjects.

Kevin: I hate Wednesday. I have history on Wednesday. It's so hard to remember all the names and events.

Mai: Really? I think history is interesting. I like learning historical stories. What's your favourite subject then?

Kevin: I like science. I like learning about our world. And I love the teacher too. Ms. Robinson is a very creative teacher.

Mai: She doesn't teach my class. But I hear she's fun, and she doesn't give much homework

Kevin: Yeah, that's what I like best about her!

The living room filled with very lively furniture. Comfortable couches, colourful rugs, and a large display case with pictures and books.

My sister's room is just colourful. The walls are purple and there are crazy chalk drawings on some of them.

My parents' room is right next to my sister's room. There's not much in there: a boring bed, a couple of dressers, and a boring closet.

The bathroom next to their room is pretty weird. There are elephants everywhere! Elephant candles, elephant mirrors, elephant pictures.

I only like the kitchen when there is good food in it. There's a dining room too. We never use it.
