

Write the numbers of the furniture and the letters of the food items from the pictures of the two kitchens below next to the correct names.

Next, draw a picture of your kitchen in the blank space below. Then write several sentences using prepositions to describe all three kitchens. Read your sentences to two friends and let them try to guess which kitchen you are describing with each one. Then listen to their sentences and try to guess which they are describing. The first to guess correctly each time wins!
