

1 Watch, listen and enjoy.

Don't Look Back In Anger

Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've seen
Slowly fade away

So I start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

And so Sally can wait
She knows it's too late
As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say

Take me to the place where you go
Where nobody knows
If it's night or day
But please don't put your life in the hands
Of a rock and roll band
Who'll throw it all away

I'm gonna start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
'Cause you ain't ever gonna burn my heart out
