

Unit 4: Traditions and festivities, Lesson 1

I. Multiple choice: Observe the pictures of the PPT and answer

1. *What do you think that these two people are doing?*
2. *By watching the pictures in What country are they?*

II. Read each statement and draw a line to connect it with the corresponding interpretation. Let's work together!

A) Soon colors of green and blue covered the hills and they found a new guide water.

Everyday these two people met a new place

B) ...where sun lights rose from the ground and danced from the palm of your hands.

These two people left the north and arrived in the central zone.

C) Tiny streams became raging rivers.

They found landscape full of dandelions

D) ... each day a new door, a new direction, a new way to be.

They are arriving to southern part of our country

III. Put these statements in chronological order by writing numbers from 1 to 8

- a. _____ **After that** tiny streams became raging rivers.
- b. _____ **Later**, they drifted south, each day a new door, a new direction, a new way to be.
- c. _____ **First** two people started a journey through Chile.
- d. _____ **Next** they were taken west past the smoking mountains and floating falls.
- e. _____ **Soon** colors of green and blue cover the hills.
- f. _____ **Then** they visited the Atacama desert and The Valley of the Moon.
- g. _____ **Until** they reached the ocean where sun lights rose from the ground and danced from the palm of your hands.
- h. _____ **Finally**, their path soon came to one end, and they only found me, their future.
