

# To Be

بودن

|                  | English  | دری         |
|------------------|----------|-------------|
| Singular<br>مفرد | I am     | من هستم     |
|                  | you are  | تو هستی     |
|                  | he is    | او مرد است  |
|                  | she is   | او خانم است |
|                  | it is    | او است      |
| Plural<br>جمع    | we are   | ما هستیم    |
|                  | you are  | شما هستید   |
|                  | they are | آنها هستند  |

|                                                                                                              |                                                                                                                |                                                                                                            |                                                                                                               |
|--------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------|
|  <p>happy<br/>خوشحال</p>  |  <p>sad<br/>خفه / غمگین</p> |  <p>tired<br/>خسته</p> |  <p>hungry<br/>گرسنه</p> |
|  <p>angry<br/>قهرآلود</p> |  <p>sick<br/>مريض</p>       |  <p>cold<br/>سرد</p>   |  <p>hot<br/>گرم</p>      |

## Part 1 Writing

Move the word to the picture.

|       |      |        |       |
|-------|------|--------|-------|
| angry | cold | happy  | tired |
| hot   | sad  | hungry | sick  |

|                                                                                                 |                                                                                                   |                                                                                             |                                                                                               |
|-------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|
| <br>خوشحال    | <br>خفه / غمگین | <br>خسته | <br>گرسنه |
| <br>قهر آلود | <br>مريض       | <br>سرد | <br>گرم  |

## Part 2 Writing

Write the word in English.

|                                                                                                  |        |
|--------------------------------------------------------------------------------------------------|--------|
| <br>خوشحال      | yhppa  |
|                                                                                                  | happy  |
| <br>خفه / غمگین | dsa    |
|                                                                                                  |        |
| <br>خسته      | tdier  |
|                                                                                                  |        |
| <br>گرسنه     | yhgrun |
|                                                                                                  |        |

قهر آلود

agnry

مريض

cksi

سرد

odlc

گرم

hto

### Part 3 Writing

Write a sentence using the word and picture.

I

I am happy.

We

It

He

They

You

We

She

Draw a line (یک خط بکش) from the English to the color (انگلیسی به رنگ).

|                                                                                     |
|-------------------------------------------------------------------------------------|
|    |
|    |
|    |
|    |
|    |
|   |
|  |
|  |
|  |
|  |
|  |

|        |
|--------|
| yellow |
| blue   |
| green  |
| red    |
| brown  |
| orange |
| white  |
| black  |
| purple |
| pink   |
| gray   |

## Part 5 Writing

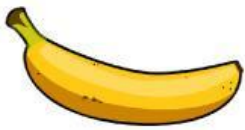

Write a sentence using It and the picture.

It

It is red.

It

It is yellow.

It

It

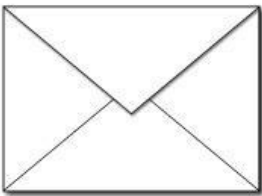

It

It
