Hi Zoey

Hey Jenna 😊 how r u?

Not happy 😡

Why?

Mum won't let me download that music video app :-(

Music Magic?

yeah

My parents said no too.

Mum says you have to be 13 to have it

But Abi at school has it. She's only 10!!! 😡

I know. It's not fair. 😞

Music Magic is so good tho.
You can make really cool videos and upload them.

I know - and you can chat to people and watch their videos.

Dad said the videos aren't always appropriate for kids.

My mum said it may not be safe for kids to chat on the app.

Maybe they're right.

Yeah, I still want it tho. ❤️

Do u want to come over to my house and practise our dance?

GR8! It'll still be fun even without Music Magic :-)

c u L8R :-)
