

Family (feat. Kygo)

The Chainsmokers

I know water that's thicker than blood
That's deeper than love with my friends
People _____ and some people go
And some people ride till the end

When I am blind in my mind
I swear they'd be my rescue, my lifeline
I don't know what I'd do if I, if I'd survive
My _____ and my sisters in my life, yeah

I know some people, they would die for me
We _____ together, they're my family
When I get up, they gon' be high with me
I'll stay forever, my family

Family
I'll stay forever, my family
Family
I'll stay forever, my family

Stolen _____ took our, our childish days
Still ain't nothin' changed, now we're grown
We're still young, still got _____ mindless ways
In a timeless phase, kickin' stones
