"Life on the farm"

Hi dear friends, I'm Sofia, I am a farmer on the Iquitos-Nauta highway, kilometer 30, I love living on the farm; there are so many animals to see! Every day I get up early. At 6 am. I get dressed, but I don't have breakfast. The cows have breakfast first, then I take a shower, and I have my breakfast. My favorite animals are the horse, so we go see them first, one of the horses is running, and the other is jumping. Next, we go and see the chickens, I think the chicken are boring, because they are always eating, but my little brother really likes them. There are not cats, because I am allergic to them, but there are two dogs they take care to the sheeps. We have a shop; in our shop we sell milk and cheese from the farm.

After the chicken we see the goats, usually they are walking around so you have to be careful, sometimes they bite! There are ducks in the pond, we go and eat our lunch at the picnic table next to the pond. The ducks are swimming and start to quack when they see us; we always give them some bread. I like to sit under the tree, and watch the littles chickens walking with its mommy hen; I see the cows and sheep grazing they are always eating too, there is not Tv, but there is a lake so I can enjoy swimming. Finally, I go home at 9 pm. It's a long day but I love my job on the farm.
