Your words are sweeter than honey

They nourish my soul

Oh, just to you

is to you

and me whole

I wanna get lost in you

Wanna keep my eyes on you, ooh, ooh

'Cause I your word is true

I'm on to you, ooh, ooh

I'm in the river, it's

For you, I'm all in

My soul is bursting with praises deep within

Your presence me

It my soul

Oh, how you me

And you me, make Your Glory known

Your love's got a hold on me

Your love and me clean

me to the river, I will , I will

me to the river, I will , I will
