My Sister's Birthday

It was my sister's birthday last Sunday. On Friday, my mother and I went shopping. We found a nice dress and a doll. We bought it and wrapped it in blue paper. Blue is my sister's favorite color. On Saturday evening, my brother and I helped our mother in the kitchen. We made a birthday cake. It was not so big but it was beautiful. I wrote Happy Birthday on it. We put some chocolate and a big candle on top of it.

On Sunday evening, we had a party. My sister's friends came to my house. They brought some gifts for her. We stood together in our living room. My dad said a beautiful prayer. Then we sang 'Happy Birthday' and my sister blew out the candle. She cut the cake and gave it to everybody in the room. She opened her present and she was very happy with the dress and the doll. Finally, the party run happy.
