

Section 9: Sequences

A sequence copies a pattern or shape at a different pitch.
Here is an example of **SEQUENCE**.

1st pattern 2nd pattern

The second pattern of notes is 1 note higher than the 1st pattern.

Here is another example. This time the **SEQUENCE** is lower.

1st pattern 2nd pattern

Exercise 16

Write the following sequences one note HIGHER!

a)

b)

Exercise 17

Write the following sequences one note LOWER!

a)

b)

Exercise 18

Look at each exercise and write down what you see.

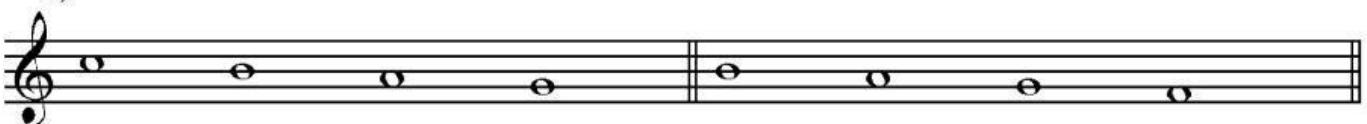

Choose from **REPETITION, ASCENDING SEQUENCE or DESCENDING SEQUENCE**

a)

This is _____

b)

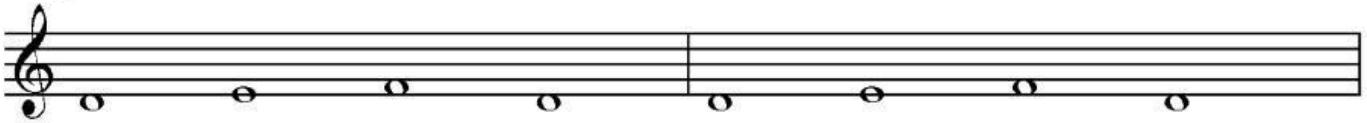

This is _____

c)

This is _____

d)

This is _____
