## The missing ring

Robert's mother was very sad. On Saturday, she lost her favorite ring when the family went for a walk in the forest. Robert's dad went back on Sunday morning to try to find it. He looked everywhere but he couldn't see it because the ring was very small and it was dark under the big trees.

"I'll buy you another silver ring just like the one you lost," he said to Robert's mum that evening. "But I loved that one!" she answered.

On Monday morning she was still unhappy so Robert said, "Let's go for another walk after school. Perhaps we will find your ring if we look again very carefully." "Good idea, Robert," she answered.

So later that afternoon, they drove back to the forest. They enjoyed walking there. They kicked the leaves with their feet and listened to all the birds in the trees.

Suddenly a lovely red, spotted butterfly flew out of the trees and down onto the ground in front of them. "Look at that!" Robert said. When Robert's mother looked through her camera to take a picture, she saw something on the small leaf which was under the butterfly. It was her missing ring!

"I can't believe it!" she said. "A butterfly has shown us where I dropped my ring!" It was a very good end to the day.
