ANCIENT TRIBE IN DANGER

A new ¹..... was found in the Amazon Rainforest in an
²..... that was never before visited by modern man. A plane flying over the
jungle discovered the tribe.

People are worried about the tribe's future for a number of ³.....
First, people continue to ⁴..... trees in the rainforest for wood. Then farmers
use the ⁵..... to raise animals. In addition, people go into the rainforest to
⁶..... and fish.

All of these changes to the ⁷..... are bad for the tribe. The changes are
⁸..... the tribe's traditional way of life. If nothing is done to protect the
tribe, they may not ⁹.....
