

Coldplay – Paradise

When she ^{be} just a girl she ^{expect} the world

But it ^{fly} away from her reach

So she ^{run} away in her sleep and ^{dream} of

Para-para-paradise, para-para-paradise, para-para-paradise

Every time she ^{close} her eyes

When she ^{be} just a girl she ^{expect} the world

But it ^{fly} away from her reach and the bullets catch in her teeth

Life goes on, it gets so heavy

The wheel breaks the butterfly every tear a waterfall

In the night the stormy night she'll close her eyes

In the night the stormy night away she'd fly

And dream of para-para-paradise

Para-para-paradise

Para-para-paradise

She'd dream of para-para-paradise

Para-para-paradise

Para-para-paradise

La-la-la-la-la-la-la

La-la-la-la-la-la-la-la-la-la

And so lying underneath those stormy skies

She'd say, "Oh, oh, oh, oh, oh, oh

I know the sun must set to rise"

This could be para-para-paradise

Para-para-paradise

This could be para-para-paradise

Oh, oh, oh, oh, oh, oh, oh, oh, oh...
