

Coldplay – Paradise

When she be just a girl she expect the world

But it fly away from her reach

So she run away in her sleep and dream of

Para-para-paradise, para-para-paradise, para-para-paradise

Every time she close her eyes

When she be just a girl she expect the world

But it fly away from her reach and the bullets catch in her teeth

Life goes on, it gets so heavy

The wheel breaks the butterfly every tear a waterfall

In the night the stormy night she'll close her eyes

In the night the stormy night away she'd fly

And dream of para-para-paradise

Para-para-paradise

Para-para-paradise

She'd dream of para-para-paradise

Para-para-paradise

Para-para-paradise

La-la-la-la-la-la-la

La-la-la-la-la-la-la-la-la-la

And so lying underneath those stormy skies

She'd say, "Oh, oh, oh, oh, oh, oh

I know the sun must set to rise"

This could be para-para-paradise

Para-para-paradise

This could be para-para-paradise

Oh, oh, oh, oh, oh, oh, oh, oh...
