WORKSHEET 4.1 (READING)

Unit 4, Reading 1: Barington Irving's Dream to Fly

Number the situations in the proper order.

..... He started a non-profit organization, Experience Aviation. He also taught poor students how to put a plane together and had them build a plane for him. In 2006, Irving started a learning center to help students learn to fly a plane.

..... The pilot inspired him. He took him to the airport and let him sit in the cockpit and play with the controls.

.....1..... His family moved to Florida when he was six years old and operated a bookstore there. He helped his parents take care of it.

..... He was not rich so he did part time jobs at the airport to make money for flying lessons.

..... Irving decided to fly around the world after he got his flying license. He did that to show the young people that there is no limit to your dreams.

..... On March 23, 2007, Irving took off from the Miami airport on a flight around the world. It took him 97 days for flying and he became the youngest person at that time to fly solo around the world.

..... After his graduation, he got a scholarship to go to college and study aviation. Irving sometimes visited schools and talked with students about careers in aviation.

..... Today, Irving plans to have a "Classroom in the Sky" where he can fly and in the same time students can help him solve problems he has while flying.
