SIMPLE FUTURE

Today it's time to talk about the 'Simple Future', its uses, what distinguishes it from the 'Going to' and how it has to stop making mistakes when using it

**LET'S LEARN
TOGETHER**  **LIVEWORKSHEETS**

The simple future tense refers to actions or events that will happen in the future. This allows us to express predictions, intentions, and expectations. Using this grammatical tool, we can shape our thoughts, decisions and actions.

Simple Future

The future simple in English indicates a **time later than the present**. Nothing more and nothing less. We use it **to talk about actions, facts and certainties that will take place in a time subsequent to the present** (although now we will see its specific uses later). In Spanish it would be equivalent to the future indicative.

Structure

Subject + will + verb

I **will** work harder next time.

Subject + will + not + verb

I **will not** give him the prize.

Will' + sujeto + verbo + ?

Will Luke call Yoda tonight?

We will see some vocabulary that we will use to write what our next vacations will be like.

Put the words in the category you think is correct.

Now that we have a clearer vocabulary, where will you go on your next vacation? explains places, food, and transportation.

**george's
vacation**

In the near future, George has exciting travel plans as he embarks on a vacation to three different countries. Let's take a glimpse into his itinerary, exploring the places he'll visit, the mouthwatering foods he'll try, and the modes of transportation he'll experience.

First, George is headed to Japan, a country known for its rich culture and exquisite cuisine. He'll explore Tokyo, the vibrant capital, and visit iconic landmarks such as the Tokyo Skytree and Meiji Shrine. George can't wait to try authentic sushi, savor the flavors of ramen, and indulge in delectable street food delicacies like takoyaki and yakitori. To navigate the city efficiently, George will utilize the efficient and punctual public transportation system, including bullet trains and subway networks.

Next on his itinerary is Italy, a country renowned for its historical sites, breathtaking landscapes, and of course, its delicious pasta and pizza. George will visit Rome, the eternal city, and marvel at the Colosseum and Vatican City. He plans to explore the picturesque streets of Florence and take in the artistic masterpieces in the Uffizi Gallery. In between sightseeing, George looks forward to savoring authentic Italian meals like spaghetti carbonara, margherita pizza, and gelato. To travel between cities, he'll hop on convenient high-speed trains, offering breathtaking views of the Italian countryside.

Lastly, George will jet off to Thailand, a destination famous for its stunning beaches, mesmerizing temples, and vibrant street markets. He'll start in Bangkok, where he'll visit the Grand Palace and Wat Arun, experiencing the city's bustling energy. George is eager to try the flavorsome dishes like pad thai, green curry, and mango sticky rice. For island hopping and beach relaxation, he'll travel to Phuket, known for its stunning turquoise waters and lively nightlife. George will explore the surrounding islands, snorkel in crystal-clear waters, and soak up the tropical ambiance. In Thailand, he'll rely on tuk-tuks, local taxis, and ferries to navigate through bustling streets and reach his desired destinations.

Throughout his journey, George will immerse himself in diverse cultures, tickle his taste buds with tantalizing foods, and embrace a variety of transportation modes to enhance his travel experience. These adventures will surely create lifelong memories for him, making his vacation an unforgettable one.
