IV. READING COMPREHENSION

A.

Directions: *Read the story about Andre carefully. Then read the statements. Choose **A** if the statement is **TRUE**, and **B** if it is **FALSE**.*

Hi, I'm Andre. I am thirteen years old. I have two close friends. They are Tora and Tedi. We are of the same age. We live in the same neighborhood and we go to the same school. We are in the first grade of SMP Kartika, but we are in different classes. The school is near our housing complex, so we go to school together on foot.

Our school has twelve classrooms, a teacher's room, a laboratory, a library, a school clinic, and a canteen. My classroom is between Tora's classroom and Tedi's classroom. There are thirty-two students in my classroom. There is a white board , a desk, and a chair for the teacher in front of the class. There are always fresh flowers on the teacher's table. We usually change the flowers every other day.

61. Tora and Tedi are about thirteen years old.

62. Tora and Tedi are Andre's classmates.

63. They are first graders.

64. Tora lives not far from Tedi.

65. They go to school by bus.

66. There are twenty-three students in Andre's class.

67. There are two laboratories in Andre's school.

68. Students can have their meals at school.

69. The teacher's table is in front of the class.

70. Students bring flowers to be put on the teacher's desk everyday.
