

How far do Sources B and C agree about Cuba's relationship with the USA before the revolution?

## SOURCE B

“ We considered it [Cuba] part of the United States practically, just a wonderful little country over there that was of no danger to anybody, as a matter of fact it was a rather important economic asset to the United States. ”

▪ *American TV reporter, Walter Cronkite.*

## SOURCE C

“ I believe there is no country in the world... whose economic colonisation, humiliation and exploitation were worse than in Cuba, partly as a consequence of US policy during the Batista regime. I believe that, without being aware of it, we conceived and created the Castro movement, starting from scratch. ”

▪ *President Kennedy speaking in 1963.*
