

UNIT 2 TIME

Wow!

UNIT TEST REVIEW

Name:

Class:

Date:

Numbers greater than 1000

Write the correct number.

Use a comma to separate the 1000s.

Example: **300, 120**

One thousand

Twenty-five thousand

Nine hundred thousand

Twenty thousand, one hundred and
eighty-three

Three hundred and five thousand and
Twenty-eight

One hundred and sixteen thousand,
five hundred and eighty-three

Name:

Class:

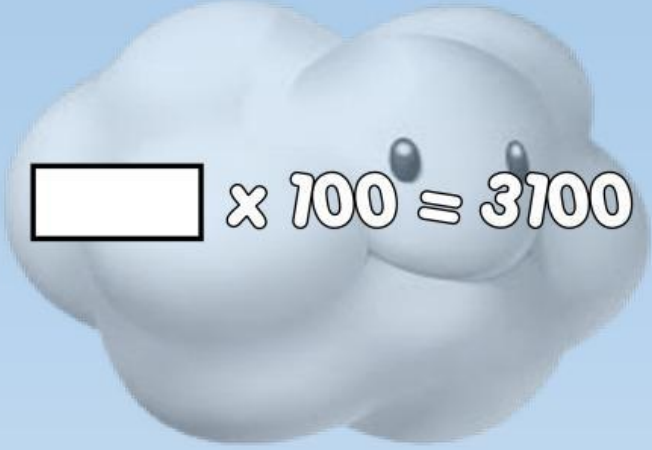

Date:

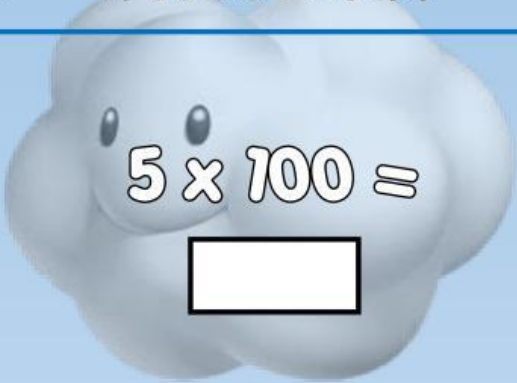

Multiply and Divide by 10 & 100

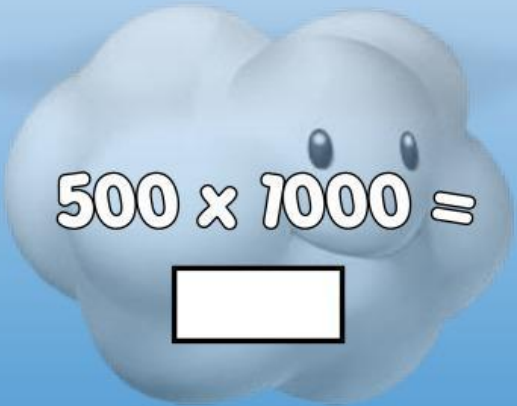

$\times 10 = \text{add } 0$

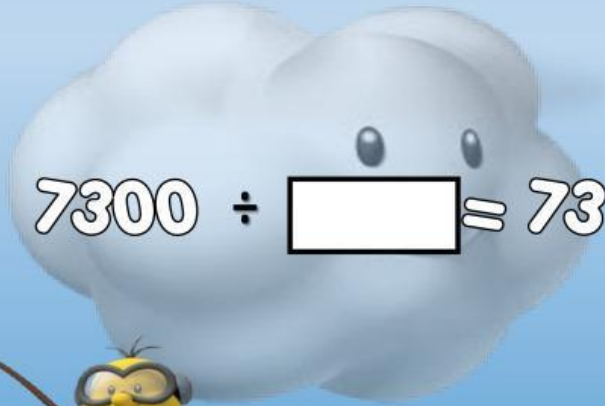

$\times 100 = \text{add } 00$

$\times 1000 = \text{add}$

$$\boxed{} \times 100 = 3100$$

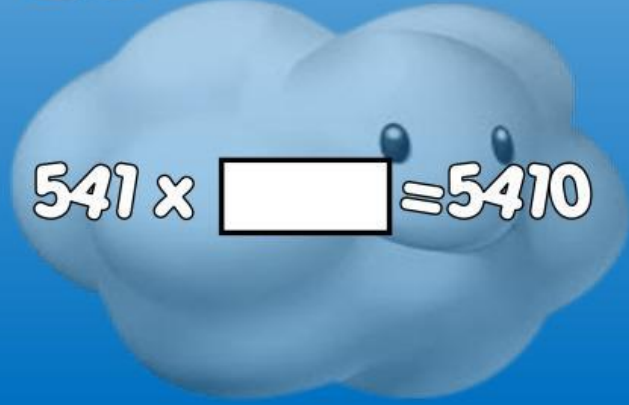

$$5 \times 100 = \boxed{}$$

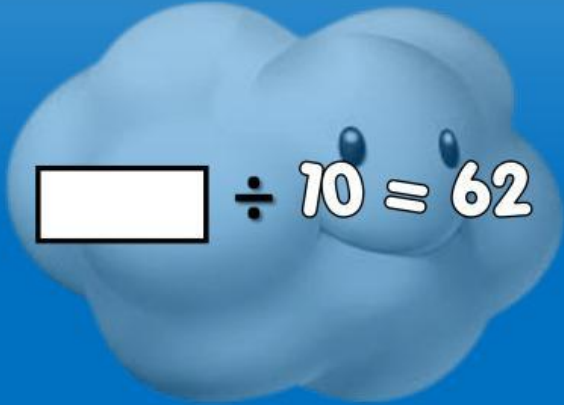

$$500 \times 1000 = \boxed{}$$

$$7300 \div \boxed{} = 73$$

For divide,
remove 0s!

$$541 \times \boxed{} = 5410$$

$$\boxed{} \div 10 = 62$$

Name:

Class:

Date:

Term-to-term rule:

The amount a sequence increases or decreases by.

'term-to-term rule'

612					+ 100
-----	--	--	--	--	-------

6312					+ 1000
------	--	--	--	--	--------

987					- 100
-----	--	--	--	--	-------

1032					+ 100
------	--	--	--	--	-------

1123					- 100
------	--	--	--	--	-------

Name:

Class:

Date:

Multiply and Divide by 10 & 100

$\times 10 = \text{add } 0$

$\times 100 = \text{add } 00$

$\times 1000 = \text{add}$

Which number is 100 times greater than 620?

Which number is 10 times greater than 6332?

For divide,
remove 0s!

Which number is 100 times smaller than 73,000?
