# YOU'VE GOT A FRIEND IN ME

You've got a friend in me, you've got a [red] in me

You've got a friend in me, you've got a friend in me

When the road looks rough [red]

And you're miles and miles [red] your nice warmbed

You just remember [red] your old pal said

Boy, you've got a friend in me

Yeah, you've got a friend in [red]

You've got a friend in me, you've got a friend in me

If you've got [red], I've got 'em too

There isn't anything I wouldn't do for [red]

We stick together and can [red] it through

'Cause you've got a friend in me

You've [red] a friend in me

Some [red] folks might be a little bit smarter than I am

[red] and stronger too, maybe

But none of them will ever [red] you

The way I do, it's me and you

Boy and as the [red] go by

Our [red] will never die

You're gonna see, it's our [red]

You've got a friend in me

You've got a friend in me

You've got a [red] in me
