

#When you WASTE YOUR FOOD PART 3

And I'm singing like
Girl, did you know how much
Food (1) (2) by restaurants is
landfill-bound?

Why'd you throw (3) of your (4)
out?

boy, boy, you talk too much
1 in 9 people on Earth goes (5)
I think you gotta leave
I think you gotta leave

Mm mm mm!
I don't love it when you (6) your
food
We make way more than we (7)
(8) kids don't get to choose
When they go to bed (9)

Why don't we call up the EU
(10) them for new policies too
One in four calories don't get consumed
And no one should go hungry
