

PART I (Student-Examiner interaction)

Each student answers several questions asked by the examiner in a conversation. In turns, each student answers questions about the following topics:

EXAMINER'S QUESTIONS
A. Personal information What is your full name? Where/when were you born? Are you 20 years old? What are your hobbies? What do you do after school? Do you have a sister? What does she do (occupation)?
B. Work and study What's your major? What does a graphic designer/engineer do? Are you in the 1 st semester? Do you have a part time job after school? What activities do you have to do at school/work?
C. Family and Home How many members are there in your family? Are you the youngest person in your family? Which is your favorite room? Why? What does your family do together?
D. Past experiences Where were you on your last vacation? What did you do yesterday? Did you eat sushi? Did you learn English in high school?
E. Future Are you going to do anything special this weekend? How will you use English in the future? Where are you going to go after this class? What will education be like in the future? How do you see yourself in 5 years? Do you have any plans for the future/for the weekend?

PART II (Situation description)

Look at the pictures below. What do you know about them? (birth date, birth place, achievements)

Who do you think is the most inspiring of the 7?

(Left To right. Nelson Mandela, Nick Vujicic, Mother Teresa, Caitlyn Jenner, Mohandas Gandhi, Bill Gates, Albert Einstein.)

Write PART I and PART II Questions and Answers

Talk about your life according to your past and present experiences and the future ones you want to have. Use the indicated tenses and connecting words.

[illegible]

Ex.: "Hi, good morning! My name is Alex Kent and I'm Mexican. I am 20 years old and I was born on September 25th, 1995 in Mexicali but I grew up in Sinaloa. When I was younger, I was short and chubby but now I am tall and well-built. I lived in Guasave for a few years but then I moved to Culiacan. I studied there for many years. A year ago, I moved to Obregón because I started the College. I am now studying the 4th semester of a major in Accounting. I study in the morning and work in the afternoon. I am a swimming instructor at Itson where I teach children how to swim. I think I will graduate in 2 years. When I finish my major I am going back to Culiacan and I am going to start my own Accounting firm. I might get married in 10 years and I will definitely have 3 children."
