

PAST SIMPLE OR PAST CONTINUOUS

It was raining yesterday. I in the living room. I a movie about a great scientist, Giyath al-Din Jamshid Kashani.

He was a great inventor. He from Kashan. His father was a doctor. Jamshid very interested in numbers and planets.

Actually, he many interesting things when he math problems. Sadly, this scientist a very short life. Someone him when he in his observatory.

He only 42 years old.
