## Application HW

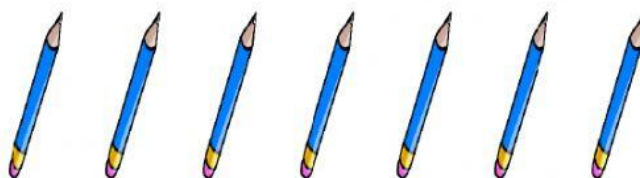

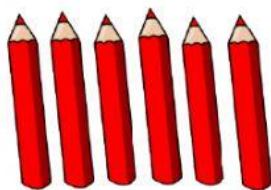

**Instructions:** Read each sentence carefully. Type the addition sentence then find the sum.

A. Count the candies to find how many in all.

There are \_\_\_\_ candies in all.

B. There are **6** red pencils and **7** blue pencils. Write the addition sentence to find the sum.

\_\_\_\_ ○ \_\_\_\_ = \_\_\_\_

C. Shane had **13** snakes. His friend gave him **6** more snakes. What is the total number of snakes Shane has now?

\_\_\_\_ ○ \_\_\_\_ = \_\_\_\_

D. There are **7** fish in a bowl. There are **11** fish in the tank. Count the fish to find out how many in all.

\_\_\_\_ ○ \_\_\_\_ = \_\_\_\_
