VOCABULARY TEST B1

1. d) primary school
Nursery, which is called pre-school in the US, is where British children go between the ages of three and five. After nursery, they attend primary school until they are eleven.

2. b) dropping
If you drop a class, you stop going to that class.

3. c) attending
Attend a class or lecture means to be present in that class or lecture.

4. b) project
We use the verb do with homework, research, a project, etc.
The option research is not possible because research is an uncountable noun. We cannot say a research.

5. b) passed
If you pass an exam, you obtain successful results in that exam.

6. a) presentation
If you give a presentation, you give a talk delivering information to a class or group.

7. a) enrol
If you enrol in a course, you sign up for a course.

8. d) middle school
In the United States, students attend middle school, also known as junior high school in some regions, from ages eleven to fourteen.

9. b) took
When a student takes notes, they write down what the teacher is saying.

10. c) getting
When you get a grade, you receive a mark (A, B, C / 50%, 70%, etc.) for a test, essay, etc.
