

Read the letter. Then answer questions 4 to 5.

Dear Douglas,

I just read your assignment about Martin Luther King, Jr. I enjoyed reading it, but I couldn't stop thinking that it would have been better if you had provided more details about his work. You wrote a good summary about Martin Luther King, Jr.'s great achievements, but I couldn't find any of your thoughts on his life. I want you to consider adding your thoughts during the revision period, which lasts until next Friday. As you already know, I give extra points on revised draft, so this is your chance to earn more points for your grade. If you need any help, come and see me. Good luck!

Sincerely,

C. Chadwick
