How to get well at home

Last Sunday I had a sore throat and a cough. I didn't feel well and I was tired. I asked my dad what could I eat and drink to feel better. We found a lot of things in our kitchen!

A lemon and honey tea: My dad made me lemon tea and it helped me a lot. Dad also mixed some honey in it. It tasted really nice!

Chicken soup: We cut up some onions, bell peppers, and carrots that we have found in the fridge. Then we put some water and chicken in a pot together with the vegetables. We cooked it for a long time and then put some salt and pepper in it. We ate the soup for lunch and dinner.

Salt water: I didn't try this because it sounded horrible! But I saw my big brother try it (he had a sore throat too) and he said his throat felt much better afterwards.

Drinking a lot of water and staying in bed also made me get well quicker.
