A New HOME

26

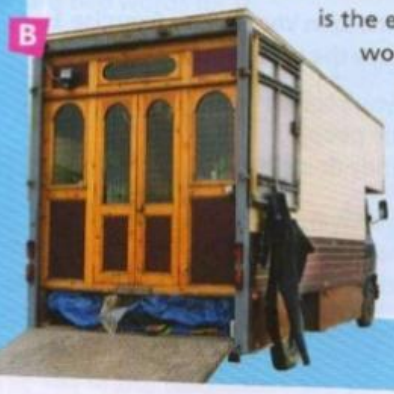

Paula and Gary lived in a modern house. It had a living room and a kitchen on the ground floor and on the first floor two bedrooms, one with a balcony and a bathroom. Next to the house they had a garage for their car, and they even had a small garden with a little gate painted green. It sounds perfect!

But Paula and Gary weren't happy. They both wanted to live somewhere more interesting, so they started to look for a new home. They were looking at homes on the internet one day, when Tim, Gary's dad, had an idea. Tim had his own lorry business and he was selling one of his lorries. Why didn't Paula and Gary buy it and make it into their new home? Gary and Paula thought this was a brilliant idea and bought it that same day.

It was a busy year: Gary was building everything for their new home, while Paula was working. He built cupboards around the cooker and the sink and he even built the shower. They bought a small sofa because there wasn't enough space for a big one.

Finally, six months ago, Gary finished the work on the lorry and they moved in. Gary and Paula love their new home! Paula thinks the best thing is the entrance made of wood and glass and Gary loves the high ceiling because he's tall.

There's no place like home!
