Eddie Stewart's first blog!

Hi, I'm Eddie Stewart!
First of all, let me say a few things about myself. I'm 24 years old and I'm majoring in Media and Communications.

Sports

I'm crazy about soccer, like most people on the planet. I play twice a week with friends, but I'm also training because I'd like to join the college soccer team. In this blog, I'm planning on writing a lot about sports, especially about my favorite team, L.A. Galaxy!

Movies

I'm also crazy about movies, and I try to see a new one every week. I particularly love sci-fi movies. I'm thinking of writing about really good (or bad) movies here in my blog, so make sure you read those reviews!

Other interests

I'm interested in photography and I bought a new camera last month. I enjoy taking pictures of people in action so I often go to sporting events. In fact, yesterday I went to a game and took some nice pictures. You can see some of my photos [here](#).

Hey, maybe I should become a sports commentator or a photographer. What do you think?
