Hi, there! Do you really want to know about my likes and dislikes?
Music is my passion! I definitely don't like trap or hip-hop but I'm certainly into rock. The Rolling Stones is my favourite band! These British guys are a classic and their shows are amazing! And my favourite singer is Mon Laferte. I really like her songs.
Now, about my favourite free time activities? Well, I certainly like sports, especially winter sports. Here in Canada we love snowboarding and skiing. The perfect months for these sports are December and January. I like winter very much because I can be in the mountains in my free time.
