SEMANA 7

Inglés – 2.º año

Listen and fill in the blanks with the correct alternative.

## Black and white

That first night we \_\_\_\_\_ standin' at your door

Fumblin' for your keys, then I \_\_\_\_\_ you

Asked me if I wanna come inside

'Cause we \_\_\_\_\_ end the night

Then you took my hand and I followed you

Yeah, I see us in black and white

Crystal clear on a starlit night

In all your gorgeous colors

I promise that I'll love you for the rest of my life

See you \_\_\_\_\_ in your dress

Swear in front of all our friends

There'll never be another

I promise that I'll love you for the rest of my life

Now, we're sittin' here in your livin' room

Tellin' stories while \_\_\_\_\_ a drink or two

And there's a vision I've been holdin' in my mind

We're 65 and you ask

When did I first know, I always knew

Yeah, I see us in black and white

witness – black and  
white - were- we share-  
standin' - kissed- didn't  
wanna- gorgeous- see  
us - Swear

Crystal clear on a starlit night  
In all your \_\_\_\_\_ colors  
I promise that I'll love you for the rest of my life  
See you standin' in your dress  
Swear in front of all our friends  
There'll never be another  
I promise that I'll love you for the rest of my life  
I want the world to \_\_\_\_\_  
When we finally say, "I do"  
It's the way you love  
I gotta give it back to you  
I can't promise picket fences  
Or sunny afternoons  
But, at night when I close my eyes  
I see us in \_\_\_\_\_  
Crystal clear on a starlit night  
There'll never be another  
I promise that I'll love ya  
I \_\_\_\_\_ in black and white  
Crystal clear on a starlit night  
In all your gorgeous colors  
I promise that I'll love you for the rest of my life  
See you standin' in your dress  
\_\_\_\_\_ in front of all our friends  
There'll never be another  
I promise that I'll love you for the rest of my life  
And there'll never be another
