

E1T1 L1 :Reading comprehension

I. Read the text and answer the questions.

Dear Mary.

My name is Tom Smith and I am 14. I am from Caracas, Venezuela. This is the first time I study in a school in United States. My school is really huge, it is White and blue. My partners are so friendly and kind, the teacher is great, so I feel really comfortable here.

My best friend is in Caracas, he is from Brazil but he is not living there. We mail everyday and sometimes we use the videochat to talk. His name is Peter.

My favorite class is History, I love the red and yellow history book. My favorite food is pasta, it is delicious. I hope to have a wonderful time in this school. I will celebrate my birthday on October 20th. My dream is to be a lawyer, so I will study really hard.

Mail you soon

Best regards

Tom.
