Here is the traffic report for 6.30 today.

Well, many people are now going home up Woodstock Road, and so the road is very crowded. Traffic is slow right up to the edge of the city. However, it is not a good idea to use the ring road instead, because a lorry is on fire on London Road, and this has blocked all traffic going west to the ring road. Instead, you should go to the Plain roundabout. Then go through Headington as the traffic there is very light today due to the strike at the hospital. Then you should go on to the ring road and drive to the east.

Work on the road is making traffic go slowly on Banbury Road near Summertown, and if you are going to Cowley, the police say that you should wait for half an hour. A cyclist was knocked off his bicycle on Magdalen Bridge, and the road is blocked while the police find out what happened.

The roads through Rose Hill and the Pear Tree roundabout are clear, and traffic is moving well. Remember to drive carefully, and have a safe journey home.
