

If I were a millionaire,

we would have gone for a swim.

If she were more confident,

she would have penned bestselling novels.

If they were in better shape,

we would have tried exotic foods.

If he were a chef,

they would have designed amazing structures.

If you were a scientist,

she would have aced the interview.

If it were warmer outside,

I would have bought a mansion.

If we were in a different country,

he would have cooked us a gourmet meal.

If you were a professional athlete,

they would have climbed that mountain.

If she were a writer,

you would have discovered something incredible.

If they were engineers,

you would have won medals.
