How to Create a Group Chat in WhatsApp

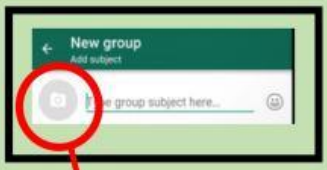

1. Click three dots or ⌄ above your chat list in WhatsApp.
   Or you can click the **New Chat** icon

2. Choose **New Group**

3. Add group participant by scrolling from your WhatsApp contact.

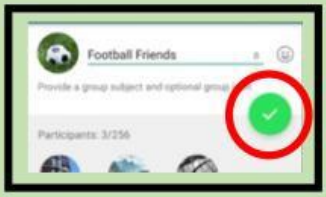

4. Provide a group subject. Type your group name in this space. You may also use emoji.

5. Add a group icon.

   You can add a group icon by clicking 📷. You can choose to **Take photo**, **Upload photo**, **Emoji & Stickers**, or do a **Web Search** to add an image. Once set, the icon will appear next to the group in your chats list.

   Note: Web Search is not currently available for WhatsApp Web.

6. Click the green check mark icon when you're finished.
