I want to marry your daughter. I want to marry your daughter, named Bawang Putih who has such **alluring** voice

Putih, we are sorry for all our mistakes.

Me too. I forgive both of you, mom and Bawang

Oh, my God, please forgive my mother's and my sister's sins.

You have such a lovely voice. May I know, what's your name? Why are you crying at this river?

My name is Bawang Putih, sic sorry but I must go home now

No, don't! Putih is not here. But I am here, I can marry you. I am good, obedient, and loyal. Putih is ugly, not like me. I am beautiful.

I have to call you many times! Are you deaf? Now mop the whole house! Then, clean these clothes at the river
