*Alice, 14*

It's 5.00 p.m. now and I'm in my bedroom. I often stay at home on Friday afternoons because my parents usually go out, so I have to look after my younger sister. My parents are at the Cinema today, but I'm not looking after my sister because our grandma is staying with us. She and my sister are in the living room, and they're playing a game. My sister loves board games.

*Tommy, 12*

It's 5.00 p.m. on Friday afternoon. At the moment, I'm sitting at my desk. I am usually out with my friends at this time on Friday. We often play football in the park near my home. But today it's cold and rainy, so I'm not going out. My brother is at home, too. He likes computer games, but he isn't playing one at the moment. He's studying for his maths exam.
