Art Online: Multiple Choice Vocabulary Test

At one (0)_____, only the largest, most powerful companies had real works of art hanging in their boardrooms. They usually chose expensive paintings by well-known artists whose work smaller companies couldn't (1)_____. And when a smaller company wanted to (2)_____ in a more modest work of art, this could (3)_____ up quite a lot of time. As an expensive consultant was (4)_____ out of the question, a (5)_____ of staff had to visit various art galleries and choose something in the (6)_____ that their colleagues would like it. But things have changed because now art has (7)_____ online. There are websites to help companies find the right picture or piece of sculpture. Most employees who buy art for their workplaces do not know a great (8)_____ about it. So one of the main aims of the website is to (9)_____ them in their choice. They describe the type of work they want, for example traditional or modern, and what budget is available. This information is then (10)_____ in a search engine, and a selection of art (11)_____ up on the screen. Workers back at the company can (12)_____ the selection and email their comments.
