Año

Año 2010

The diagram is a horizontal timeline. A thick vertical black line divides the timeline into two sections: 'PREHISTORIA' on the left and 'HISTORIA' on the right. Above the timeline, there are several blue rectangular boxes for dates. One box labeled 'Año' is positioned above the vertical line. Below the timeline, there are more blue boxes labeled 'Año' at various points. A small image of a landscape is placed between two 'Año' boxes in the 'HISTORIA' section. The timeline ends with a box labeled 'Año 2010'. Below the 'PREHISTORIA' section, there is a large empty rectangular box for additional notes or information.
