Pair Work

Student A

Instructions: Discuss with your partner the questions below, asking and answering them. Explain your answers, say the reason.

1. Which do you think is more difficult to learn, English or a Mayan language?
2. Who do you think is happier, you or a sibling?
3. In your opinion, which is scarier, spending a night (pasar la noche) in a haunted house with a little candlelight (luz de vela) or spending the night at home with no light at all?
4. In what ways do you think smart phones make life better than life thirty years ago?
5. Which do you think are cutter, panda bears or koala bears?
6. Which sport is more interesting to watch, golf or tennis?
7. Which is worse for your health, smoking or drinking alcoholic drinks?
8. In your opinion, which is harder to learn, English Grammar or its pronunciation?
9. Who do you think has neater handwriting, boys or girls? (mejor letra)
10. Who's younger, you or your best friend?
