- Below is the transcript of the video your teacher showed you – 'My neighbourhood'.

1	I live at number 15, Main Street. I have lots of lovely neighbours.
2	They are friendly and helpful. I have three next door neighbours -
3	Aisha lives at number 13 and Claire and Helen live at number 17. Every
4	morning, Claire and I leave for work at the same time, and we always
5	have a <b>quick chat</b> - we usually talk about the weather. If I go on
6	holiday, Aisha puts my <b>bins</b> out for me. When Helen and Claire go
7	away, I <b>feed</b> their <b>goldfish</b> and <b>look after</b> their <b>cats</b> . Peter lives
8	<b>opposite</b> me at number 16. He has two small children and sometimes I
9	<b>babysit them</b> for him when he works late. Pat lives at number 20. She
10	is <b>quite nosey</b> and likes to know everything about everyone - she loves
11	<b>to gossip!</b> Irene lives at number 19 - she is quite old and doesn't go out
12	much. She loves it when people <b>drop in to see her</b> for a cup of tea
13	and a biscuit. She likes to talk about the old days when she was young
14	- she can remember what Main Street was like 50 years ago. It's a
15	friendly neighbourhood!
