Halloween Theme
Phineas & Ferb -
Terrifying Tri State Trilogy of Terror

Put the story in the correct sequence.

After hanging up the phone she feels she's not alone in the room anymore and calls Stacy again.

She calls Stacy again and tells her Duck Momo is alive and that she's scared. Stacy laughs about it.

Candace hides in her bed and tries to explain to Duck Momo what happened.

Candace reads a book while she talks on the phone with her friend Stacy.

Mr. Miggins comes to life when the moon touches it and Candace screams.

Candace tries to escape from Duck Momo by running upstairs.

She keeps talking on the phone with her friend Stacy until she sits on the couch to watch a movie.

Candace drops her phone accidentally and Duck Momo hangs up on Stacy.

She goes into her room and blocks the door but Duck Momo is already inside too.

It turned out that Duck Momo only wanted a hug and that he wasn't evil because the moon was behind the clouds.

Candace doesn't notice the spell worked and kicks Duck Momo out of the window.

She says the spell in the book aloud, joking about how it is impossible it works in real life.
